## Your Guarantee of Access to Programs

In 2016, The Department of Health and Human Services (HHS) issued new regulations under the Affordable Care Act (ACA) prohibiting discrimination based on race, color, national origin, sex, age or disability in certain health care programs.

This rule, under Section 1557 of the ACA of 2010, helps to advance equity and reduce health disparities by protecting some of the populations that have been most vulnerable to discrimination in the health care context.

Futures Unlimited, Inc. is committed to fully comply with the conditions and requirements set forth in Section 1557 of the Americans with Disability Act; and will ensure that everyone, regardless of language abilities, has access to information relating to the services we provide.
